Quintessential Queenstown Incentive Program

Day One

Arrival

On arrival into Queenstown we welcome you with an exhilarating jet boat ride that picks your group up from the airport and transports you into town showcasing the incredible mountain and lake views. A real wake up call for the senses perfectly sets the tone for your group's stay in Queenstown.

Check in with a difference

On arrival in town guests are greeted in beautiful gardens with bubbles and their own personal 'hotel check in' station. Once guests have their keys and have had chance to enjoy their bubbles they are transported to their hotel and head straight to their rooms to freshen up.

Evening Dining

For your first night in Queenstown enjoy a relaxed private dinner at the hotel. Having dinner onsite is the perfect way for your group to meet and mingle and also allows guests to slip away at their leisure should jetlag get the better of them.

Day Two

Guests awaken refreshed and ready for their first full day in Queenstown.

Morning Activity

What better way to introduce your guests to Queenstown than with a fun and entertaining 4WD exploration of Queenstown and the surrounding areas! Get off the beaten track as your guests enjoy an off-road adventure taking in the Remarkables Mountain Range, Skippers Canyon and Queenstown Hill. This is a great way for your group to find their bearings in Queenstown and see some of the hidden charms of this beautiful area.

Lunch

Guests are dropped off at a secluded woolshed for a Gourmet BBQ lunch beside the Kawarau river

Afternoon Activity

Then its time for more action packed fun when helicopters arrive to whisk your group away. After a glacier landing the helis take your group back to Queenstown.

After all of this excitement it is then time to head back to the hotel to prepare for dinner.

Evening Dining

For the second night's dining we take you away from the hotel for a glamorous evening of fine food and entertainment. We organize everything from transport to dining location to the perfect band to play whilst you are dining.

Day Three

Morning Activity

Day three begins with a breathtaking flight into the world famous Milford Sound. Your guests enjoy private charter aircraft for this stunning flight over the Southern Alps out to 'the 8th Wonder of the World' Milford Sound. A charter cruise then takes your group out to the Tasman Sea whilst delicious morning tea is served onboard. After the cruise we then fly you out of Milford and to a rural farm situated on the shores of Lake Wakatipu.

Lunch and Afternoon Activity

Relax with a private lunch overlooking Lake Wakatipu and then enjoy a private and entertaining farm show before taking a scenic cruise across Lake Wakatipu back to Queenstown.

Evening Dining

Enjoy some of the fine wine that Queenstown has to offer with an evening at one of Queenstown's superior vineyards. Guests have chance to sample wine and take in the relaxing and dedicated hospitality of this beautiful and private venue whilst at the same time they learn a little about the wine making region. A stunning location coupled with incredible wine.

Day Four

Morning / Afternoon Activity

Day four gives your group the chance to pick their own activities for the day. Guests can choose exhilarating activities such as skydiving or bungee jumping, or more relaxed activities such as spa treatments or golf. The choice is theirs. Whilst your guests enjoy their activities we deliver themed costumes to their rooms in preparation for their final night.

Evening Dining

For your final night we offer a fantastical themed night full of interactive characters, costumes, magical special effects and premier entertainment. Let us take you on a journey that you will never forget to finish off your incentive trip in style. Your guests will dance the night away and always remember their visit to Queenstown for years to come.
